Dear uncle Macura P. Roman,

We hope you and your family is doing fine. We send you warm greetings from Zambia.

Sadly, we have to inform you that Swangson is no longer on the Child Sponsorship Programme as stated in his Leaving Form. Swangson is also no longer staying in Mpanshya, he left for Petauke (247 km) district to joing mining activities in that area to look for a job.

On behalf of his family and all of us in the Child Sponsorship Programme office in Mpanshya, we would like to appreciate your generosity and say thank you very much for the educational support you provided to Swangson while on the programme. His family is also saying thank you, but they are not able to read or write.

May God be with you always and bless you for your continuous support and friendship.

Yours sincerely,

M. Mposama
